

GR-228BP Portable DRM/AM/FM Radio

DRM/AM/FM | Bluetooth | USB/TF player | Stereo speaker

Product Overview

The GR-228BP, an elegantly designed portable radio from Gospell, offers both style and practicality. With crystal-clear DRM digital radio and AM/FM capabilities, this device provides daily entertainment in a modern and fashionable design. In addition, the GR-228BP features a full-band receiver, Bluetooth streaming capabilities and music playback, all in a compact package that delivers room-filling, warm sound. Future-proofed for next-generation DRM+ technology, this unit provides easy and intuitive access to presets, station names, program details and Journaline news on an easy-to-read LCD display. The unit also features a sleep timer to automatically shut off or wake up at the user's convenience. With an internal rechargeable battery, the GR-228BP offers the flexibility to listen to your favorite radio programs anywhere or plug in for continuous use. In summary, the GR-228BP is a versatile radio that offers flexible listening preferences and is an ideal choice for everyday entertainment.
